**NAPERVILLE EDUCATION FOUNDATION  
LAUNCHES NEW LOGO AT 25<sup>TH</sup> ANNIVERSARY CELEBRATION**

**Naperville, IL - September 29th, 2017** – The Naperville Education Foundation (NEF) introduced a new logo at the organization’s 25<sup>th</sup> Anniversary Celebration on September 28, 2017.

NEF’s new logo reflects the foundation’s partnership and teamwork with Naperville School District 203, while remaining an independent group. The logo establishes a vibrant new look for NEF, signifying who they are today and looking to the future.

The logo has changed, but the foundation’s core has not. NEF Board Chair, Alissa Johnson-Tripas said of the 25<sup>th</sup> anniversary milestone, “We are honored to celebrate the vision of the founders and to build upon that vision to meet the changing needs of the students within the District. While we are ushering in a

new look, we continue to focus on the importance of the students, at the center of our mission.”

The colors of the logo reflect the vibrancy of NEF, with the green representing synergy with the District, complementing the use of the same color in District 203’s logo. The placement of NEF in the center of the logo shows the organization’s central relationship to the District, supporting all students at all schools.

Dan Bridges, Superintendent of Naperville School District 203, explained, “The partnership with NEF is in line with the District’s beliefs and its mission. NEF’s partnership with the District is paramount to the success of all of our students.”

NEF Founder and Event Co-Chair Dr. Mary Ann Bobosky said, “We are thrilled to see the programs that we put into place continue to make a difference in the lives of kids today. It is a proud moment for all of us as we see the foundation continue to evolve.”
